OVERVIEW

This is a part-time school equipping God's people to be established and activated in their destiny. We want to give you the tools needed to fulfill God's purposes for your life, to live a supernatural lifestyle, and impact your part of the world with the Kingdom of God. We believe that transformed cities are the result of transformed people and therefore ultimately those of you who attend this school will be ready to not only impact your local church, but you will be equipped to go into your God-given sphere of influence outside of the church and bring the kingdom and will of God there. Though in-class hours are Tuesdays and Thursdays from 6:00pm – 9:30pm, the school is a full-time learning opportunity. The class hours with the instructors are valuable but they will be just a part of your learning experience. The "other" hours emphasize hands on training and experience through praying in the Healing Rooms, participating with Healing the Brokenhearted prayer teams, attending monthly Paul Cain meetings, attending monthly Glory Nights at the Healing Rooms, treasure hunting, and other Saturday activations/outreaches. These opportunities create a teach and do culture, where you will be expected to take risks to stretch your faith, grow in your understanding of God, and how to take His Kingdom with you wherever you go.

Vision & Purpose:

Our vision is to see people equipped and activated into a Kingdom culture. We believe every saint has a destiny and that destiny is to bring the Kingdom of God on earth, as it is in heaven. We can do this by becoming the fulfillment of God's will on the earth. When we understand the heart of God, then through Him all things are possible and nothing is impossible. We believe signs and wonders should be the norm in a Christian's life, not the exception. A Kingdom culture will realize revival is not an event, but a lifestyle. The Healing Rooms School of Supernatural Ministry provides you with a unique opportunity to discover and grow in your gifts and to learn how to live a Kingdom lifestyle. You will be exposed to revivalist speakers such as Bill Johnson, Kris Vallotton, Danny Silk, Paul Cain, Rick Taylor, and others either invited as guest speakers or through the DVD curriculum produced by Bethel School of Supernatural Ministry. HRSSM will focus on teaching about our identity in Christ, the prophetic, how to walk in signs & wonders, and Bible study. There is also a strong emphasis on healing and demonstrating the gospel with power. Through our interactive classes our purpose is to equip each student to see God's Kingdom manifested on earth. We want you to "learn and do" so your experience will include being exposed to many facets of working at an international healing ministry, praying for the sick and brokenhearted, bringing prophetic words to people in the city, celebrating the presence of the Lord with people from all over the world, attending a regional conference, and other special events throughout the year.

Academic Information:

We have adopted our curriculum from Bethel's School of Supernatural Ministry in Redding, CA. This includes teaching from Bill Johnson, Kris Vallotton, Danny Silk and others. We are confident that this material combined with teachings by Paul Cain, Rick Taylor, and other local pastors, teachers, evangelists, and prophets will create a school that will develop a unified contagious atmosphere. Rather than an emphasis on theory only, application and experience of truths will be highlighted and encouraged. You will also be immersed in a revelatory culture where the Holy Spirit causes His Kingdom to come alive through the pages of the Bible. You will learn how to read, understand, and "do" the Bible - how to cast out demons, witness, heal the sick, prophesy, preach, pray, practice His presence and much more.

Basic Topic Outline:

1. Culture: identity (royal priesthood), honor, kingdom culture, love of God
2. Spiritual Inheritance & Value for Past Revivals
3. Spiritual Warfare/Praise & Worship
4. Prophetic Ministry & Healing
5. Signs and Wonders
6. Bible Study
7. God's Government

The Atmosphere:

HRSSM is a Holy Spirit driven ministry school where students of all ages come to learn how to live in the Kingdom of God and extend its borders through a supernatural lifestyle. It is important to note that the school is intended to be multi-generational, cross cultural and multi-denominational. One of our core values is love, which manifests through joining the body of Christ to value love, and serve one another. While the school has similar teachings and flavor of Bethel's school in Redding, California, our smaller class size promotes increased intimacy and a sense of "being known". Long before the school year is over, the relational bonds that will develop between students take on the feel of being "family" as each of you will deal with healing, sanctification, and transformation.

Student Life:

The school is designed to equip you to live a supernatural lifestyle; not just to minister in the gifts of the Spirit. You are encouraged to be naturally supernatural by bringing the Kingdom of heaven to earth. Therefore HRSSM by design, does not provide dorms or living arrangements. Instead we encourage students to live in the community and continue working your job in the local area, so that you can practice bringing Jesus where ever you are as a part of your learning experience.
