JOHN & REGINA FOREST PRESENT A MARRIAGE EVENT

At one point in our marriage we experienced seven out of the top ten reasons couples divorce. We have overcome such issues as the death of one of our children, financial ruin and decades of a destructive marriage. Basically, when we started our marriage we were just two broken people with a ton of baggage, stuck in shame and sin with no clue of who we were in Christ. Come hear our story. The story of Gods faithful, unconditional love that inspires hope and builds faith.
